

Hollis Brookline Athletic Booster Club Minutes

July 29, 2015

Present: Deanne Martin, Iris McLaughlin, Lisa Schmalz, Steve Schmalz, Michelle Wood, Ginny Sargent, Wayne Flanagan, Tom Whalen, Kirk Anderson, Maura Loftus, John Fothergill, Kim Day, Sheryl Paquin

The meeting was called to order at 6:00 pm

Treasurer's Report

The General Athletic Booster Club account currently has \$19,936.34 and the Total Balance is currently \$31,061.28.

Mission Statement:

Tom Whalen distributed copies of the HBHS Athletic Boosters Club Mission Statement to all present for members to review. Tom requests that members read the statement and provide input as to any recommended changes/updates. Some discussion ensued regarding including clarification about how funds will be distributed. Several members suggested including the purpose of booster club funds is to enhance the athletic programs as opposed to being used to purchase items customarily covered by the school budget. Tom plans to meet with the Athletic Directors next week and will be discussing and determining with them the appropriate uses for booster club fund distribution.

Girls Field Hockey Shed:

A discussion took place regarding the need for a shed for the girls field hockey team. Suggestion was made for girls field hockey to share the current boys lacrosse shed. This shed on the upper field is currently being shared with football. A decision will need to be made soon as the fall sports will be starting up and the field hockey team needs a place for the equipment to be stored. Past coach carried much of the equipment in his car. All present agree that this is not a viable solution going forward for the new field hockey coach. Further discussions will take place with football and lacrosse teams to find the best partnership for the upper field's shed.

Team Representatives:

Tom Whalen distributed to members the description and responsibilities for parent team representatives. Also distributed was a list of parent reps so far for the upcoming school year. Many openings remain.

Kim Day requested two banners with HB logo. These will be for the soccer field and the field hockey/lacrosse field. Wayne Flanagan made a motion for the booster club to pay \$350 for the sign or up to \$500 for two signs. Michelle Wood seconded the motion. All present were in favor of the motion.

June meeting minutes were distributed and will be accepted at next meeting.

Kirk Anderson made a motion to adjourn the meeting and Wayne Flanagan seconded. The meeting was adjourned at 6:50pm.

Respectfully Submitted,

Deanne Martin
