Committee Reports...

Award Night – Cindy VanCoughnett reported the Winter Sports Awards will be on Friday March 15th. Diane McPherson will pick up balloons and deliver them the high school at 5:30pm on Friday. Cindy V will bring table clothes, candy, and awards, Kristi B will print programs, Lisa S will bring tickets for 50/50 raffle Tom W will MC the award evening, athlete's names will be announced by booster members, Wayne F. will set up slide show (thanks!!!), Steve S will sell Cavalier Crunch and 50/50.

Cavalier Crunch - We will continue to sell cereal until the end of year. Each team is being asked to pick a date to sell cereal at the local Dump or Harvest Market. An order of 1000 boxes will be delivered shortly. We questioned if the cost per box should be lowered. In the end we felt it was better to leave the price at \$5.00.

Team Parents – Debbie Davis will work on getting a parent representative for each Spring Sport Athletic team. Debbie suggested a summer meetin to get the “fall sport” parent volunteers on board before the season begins.

Golf Outing - The tournament is scheduled for Friday May 17th at Overlook Golf Course in Hollis. There are many levels of sponsorship available from \$100 to \$2500!! We need everyone to visit local businesses asking for cash sponsorships or gifts that can be raffled. Tom Whalen will be emailing lists of local businesses that have helped in the past. Please let Tom know who you will contact.

Directors Insurance – Regina will research cost of insurance for directors. This was highly recommended by the accountant.

Other – Diana Kroeger suggested looking into better communication between the AD, parents and students. For example: When a new coach has been hired it would be good practice to notify players of change.

The next ABC meeting will be held on April 10, 2013 at 6:30pm
Meeting adjourned at 8:05pm

Respectfully Submitted,
Lisa Schmalz
