### **Treasurer's Report:**

Several sports have shown an interest in joining the Athletic Booster Club. Ginny Sargent said Softball will be moving funds into ABC account this summer. Volleyball and Wrestling have also shown an interest in moving funds into ABC. Regina Kozsan has purchased Quick Books at the recommendation of our accountant.

### **Cavalier Crunch Fundraiser:**

Andy Carr from "Community Crunch" Fundraiser attended our meeting to give an overview of the fundraiser. Community Crunch will provide the ABC with 5000 boxes of cereal at no cost. The box will have a picture of our school and Cavalier Crunch label surrounded by advertising from area businesses. Each box will contain an additional insert of local business advertisements. The Athletic Booster Club will take delivery of boxes the beginning of September. The plan is to sell the boxes for \$3 or \$4. Rhon Rupp has storage space available for the boxes and he will encourage all sports teams to help sell boxes. In addition, we will have a table at Old Home Day on Sept. 15<sup>th</sup>. Community Crunch makes their money on the advertising. The total proceeds of the boxes goes to the ABC.

### **Golf Tournament:**

Thanks Tom Whalen for another successful tournament! Thanks to all the volunteers who helped at the tournament! The finals numbers aren't in yet but the Mulligans and String were a great money maker. Thanks Wayne Flanagan for taking photos at the tournament.

### **Ford Fundraiser:**

Lisa Schmalz reported the Drive One 4UR School was a huge success! Thanks to all those who came out and test drove a car and those who volunteered! We had over 300 test drives but will not know the total raised until Ford Corporation verifies the names. The maximum we can make is \$6000. We should receive a check by the end of the summer. Regina offered to write a "thank-you" letter to The Nashua Telegraph for publicizing the event at no cost.

**Softball:**

Ginny Sargent reported that the Girls Softball Team will have a camp to help raise \$3250. The Softball Teams goal is to have electrical power brought to the field so a scoreboard can be installed.

The ABC doesn't typically pay for things such as electricity. It was suggested that the Maintenance/Field fund should pay for this.
