

HOLLIS BROOKLINE ATHLETIC BOOSTER CLUB

January 3, 2017

Present: Deanne Martin, Kim Day, Dave Belanger, and Michelle Wood

The meeting was called to order at 6:20 pm.

Michelle Wood reports that the laptop is not working properly. There appears to be more benefits from using QuickBooks Online. It may be a better financial option to just use QuickBooks Online and not replace the laptop. Michelle Wood made a motion to change to QuickBooks Online. Dave Belanger seconds the motion. All present agree.

Kim Day makes motion to accept the minutes from December and November with the correction for Mike Coutu. Dave Belanger seconds the motion. All present agree.

Boys' volleyball team picked up the trash after the Ski Swap and will be credited with \$200 as agreed upon beforehand.

HB Athletic Booster Club will make a contribution to the Nashua Police Explorers in appreciation to them for the volunteers that came to help with the clean up at the Ski Swap. Dave Belanger makes a motion to donate \$75 to Nashua Police Explorers as a contribution of appreciation for their services. Michelle Wood seconded the motion. All present agree.

Michelle Wood reports \$8,700 in general fund as of this date without earnings from Ski Swap.

ABC to follow up on porta potty to make sure it was cancelled for the winter. Will ask school to pick up the cost to have it sent back in March for the softball field.

Request has been presented from the baseball coach for \$1000 for off-season training. A discussion began regarding a cost of \$5000-\$6000 to put drop net in to mini-gym for future use by baseball, softball and

perhaps other athletic teams as opposed to using \$1000 each year for one season of training by one team. It may be more cost effective to put in the nets and be able to get more teams to use them for several years. We would need to look into the availability of the mini-gym for these teams and assess whether they would actually use this often enough to make it worth the expense. For this year Dave Belanger makes motion to request \$500 from baseball fund to fund ½ of the indoor session at an off site facility. All in attendance approve of the spending.

Deanne Martin makes a motion to adjourn the meeting at 7:25. Dave Belanger seconds the motion.
