

HOLLIS BROOKLINE ATHLETIC BOOSTER CLUB

May 3, 2016

Present: Deanne Martin, Maura Loftus, Sheryl Paquin, Dave Belanger, Michelle Wood, Kimberly Day, Jake Balfour, Wayne Flanagan, Tom Whalen, Chuck Blake

Meeting was called to order at 6:07.

Wayne Flanagan made a motion to approve the April minutes. Kim Day seconded that motion and all in attendance agreed.

Deanne Martin made a motion to reimburse Kim Day \$259.58 for the sound system she purchased for use by teams and at booster club events. Dave Belanger seconded the motion and all in attendance agreed.

Tom Whalen made a motion to approve the purchase of an additional banner for the girls' lacrosse team like the banner for the boys' team. Wayne Flanagan seconded that motion. All in attendance agreed.

The details of the permanent landscaping design on the side field were discussed. Kim Day will try to reduce the price of \$3800 by \$500 in exchange for free advertising at the Golf Outing for Custom View Landscaping. Dave Belanger made a motion for \$3800 for the hardscape and Maura Loftus seconded that motion. All in attendance agreed.

Tom Whalen made a motion to pay for a porta potty for this season only for the girls' softball field at a cost of up to \$300. Deanne Martin seconded that motion and all in attendance agreed.

Golf Outing: Tom Whalen plans to continue updating any new donations that come in for the Golf Outing.

Ski Swap: Dave Belanger reports that he needs proof of insurance before renting Nashua South High School for the Ski Swap (Wednesday-

Sunday of Thanksgiving weekend). Dave plans to start getting forms printed. We will also need lawn signs. Dave reports that NEC has plywood signs that would just need painting over to get ready for this year's Ski Swap. May change the wording on signs that read NEC to just say Annual Ski Swap, as people are familiar with the ski swap. We will also need to re-label the leftover ski equipment from last year with new labels and prices. Dave plans to have a day in June to meet with volunteers for ski swap.

The "Athletes for Sneakers" program will require a minimum of 13 people including adults. The fee of \$1.00 per item to be sold which is collected at the drop off table on Wednesday and Friday will go to Marguerite's Place to be used for their shoe program. This program provides shoes to children in need in the greater Nashua area.

Dave Belanger volunteers to get a price for scoreboards to use at home games. The intention is to ask the teams using them to come up with half of the cost and ask the ABC to pay the other half of the cost.

Kim Day reports that she will be selling raffle tickets for graduation seating and parking. The drawing for this raffle will take place on Senior Awards Night.

At 7:35 Wayne Flanagan made a motion to adjourn the meeting. Deanne Martin seconded the motion. All present agreed.

Respectfully Submitted,

Deanne Martin
