

HBHS Athletic Booster Club Minutes

April 11, 2012

Members present: Kristen Berry, Cindy Van Coughnett, Wayne Flanagan, Lisa Schmalz, Cherie Wholey, Tom Whalen

Treasurer's Report:

Regina could not make the meeting. We spoke with her via the phone and the only check paid out this month was to Lisa Schmalz for award's night and to Crowne Trophy. The meeting to meet with the tax accountant is scheduled for 4/14/12. Regina also sent the invitation to Rhon and the other coaches in case they want to attend.

Current Business:

Nominations are needed for next year's Booster Club Board. We tried to come up with ideas to get people involved. We discussed making a flyer/brochure about what the Booster Club is all about. The brochure could be handed out at any of the sporting events/games. We would also like to continue the idea of getting a Grand Council together and attend each meeting. Would it be helpful to pass the word along to the middle school parents to let them know about the Booster Club? We will talk with Maryanne Shanley, the PTSA President to find out about the next meeting at HBMS. Lisa said she would work over the Summer to get some sub committee's together.

Golf Tournament:

Tom Whalen spoke with the Lovering's and was able to get the "Hole in one free Car" hole back in the tournament!! The big effort needed now are sponsors and players!! Tom will send out the mass mailing this week. Deb Tighe will help with fundraising. There will be a golf tournament meeting at Tom Whalen's house on 4/16/12. Cindy will take care of making and putting up the big golf signs in town. We discussed sponsorship. A \$100.00 donation will get advertising on the website. A \$200.00 donation will get a table sign at lunch and advertising on the website. We still need gift card donations to put together the bundle packages. They were well received last year.

Ford Drive One 4UR school Test Drive Fundraiser:

Lisa is waiting to hear about the photo of the athletes needed for the Nashua Telegraph. Tom and Lisa will do the email for the fundraiser. Deb Tighe will do a face book page. Kristen will ask Kelsey to spread the word to the Senior students who are 18 years old. We also discussed how we should go about finding groups that might want to do a bake sale, or sell water, and get people to volunteer.

Our next meeting is May 9, 2012

Respectfully Submitted,

Kristen Berry
