Present: Sheryl Paquin, Ginny Sargent, Chuck Blake, Dave Belanger, Tom Whalen, Teresa Ash, Michelle Wood, Cindy Van Coughnett

Meeting called to order: 6:54pm

TREASURER REPORT: Ginny Sargent discussed her decision to step down as Treasurer. Michelle also has plans to step down at the end of this school year. We will need individuals with Accounting experience to replace them, including knowledge about submitting taxes, etc. Discussion around how to recruit replacements.

Question about two outstanding payments from Golf Tournament: Nashua Medical (Kathleen Stockwell) and McLaughlin Oil (Tom confirmed they did pay).

Ginny brought up a couple items with regard to field hockey. Players had to purchase socks for their uniforms. Tom needs to discuss uniform/socks issue again with Superintendent Corey, Rhon Rupp and Brian Bumpus.

New FH/Lacrosse scoreboard is in. Mr. Rupp sent a quote for a \$14K install. Discussion about how this could be done for much less with solar panels/batteries. Cindy had suggestion about asking the Hollis energy group to help with a solar energy install.

OLD HOMES DAY: Dave B. has plans to bring the large Ski Swap sign to the OHD Booth. Sheryl offered to bring sign-up sheets for ski swap and Booster Club volunteers to collect email addresses. Dave B. will bring canopy and tables for the booth. Sheryl will create Signup Genius for volunteers to work the booth with Kim Day.

STORAGE: The new storage trailer has been purchased by HBHS Athletic Department. Booster Club offered to purchase shelving for it. Dave Belanger will price out shelving options.

SKI SWAP: Dave Belanger discussed plans for ski swap. 1. We still need COI for the gym at Nashua High School. 2. In October, Dave would like to have meeting of all captains of fall sports teams and designated players from winter and spring teams to explain the registration process for ski swap and the expected role the student athletes will play in this. 3. Signage: we need to go through the trailer to assess inventory—plan to do on a Saturday. Dave suggested getting 40-50 small “lawn signs”. Chuck Blake offered to look into costs of those, Dave B. will send Chuck an example of a previous sign for reference.
