

## **Hollis Brookline Athletic Booster Club**

September 4, 2018

Present: Tom Whalen, Madelon Anderson, Dave Belanger, Jennifer Razzaboni, Sheryl Paquin, Lori Bonnette, Paula Menard, Kara White, Holly Babcock, Mike Coutu, Mike Marshall, Eileen Labak

Mike reports that team reports have been distributed to the teams.

New Business: The cheer team requests approval to sell raffle baskets at an OHD booth. All present voted to approve.

The volleyball team requests approval to sell cookie dough at an OHD booth. All present voted to approve.

The girls' soccer team requests approval to provide face painting/body art at an OHD booth. All present voted to approve.

The boys' soccer team requests approval to sell water and candy at an OHD booth. All present voted to approve.

Sheryl Paquin presents a request from the golf team. The coach is looking to get 12 golf bags, which are intended to be returned at the end of each season and stay with the team. The cost is approximately \$165/bag (\$1980 total cost). A suggestion was made to offer the golf team the clean up job at the Ski Swap on Saturday/Sunday to earn the cost of the bags. In the past this job has been a paid job as it involves a big commitment. A trailer or large truck would be required to take several trips to the dump over the weekend and store the trash on Sunday after the ski swap ends until the dump opens on Tuesday. Sheryl will present the idea to the coach and get back to us. If the golf team is not interested, the members discussed offering this to other teams that may be looking for a fundraising project.

Discussion regarding the HBHS Football Booster Club has been tabled as the president, Dan Zorn is away.

Fundraising Update:

Madelon Anderson will be using the SignUp Genius for volunteers to work at the HBABC OHD booth. She will have team stickers and water bottles for sale. Dave Guay has been busy but Madelon is trying to connect with him. He has committed to having a small order ready for the OHD booth. Madelon is hoping to work with him to set up the online store this fall. Tom Whalen made a motion to pre-approve up to \$1000 in spending for spirit wear items for OHD and HBABC stock. Deanne Martin seconds the motion. All present agree.

Facilities Committee:

No new information to be reported at this time. The plaintiff filed a motion to reconsider. The judge denied the motion. We are now waiting to see what happens next. If no appeal, the hope is that the field could be ready for fall of 2019.

Ski Swap:

Madelon Anderson agrees to handle Facebook advertising of the ski swap. Plan to ask Nelson Hsu to be in charge of the twitter advertising.

We will plan to hold a Ski Swap committee meeting on 9/17/18 at 6:30pm in the conference room at HBHS.

Some discussion arose from questions regarding the volleyball and field hockey fundraising efforts, which began before OHD. Tom will refer the issue back to administration to handle, as it is a school rule and not within our jurisdiction. We hope to improve the understanding of the fundraising rules and encourage community events.

Madelon Anderson made a motion to adjourn the meeting at 8:20. Deanne Martin seconded the motion. All present agreed.

Respectfully Submitted,

Deanne Martin
