Field Hockey Mums Sale:

A long discussion ensued regarding the violation of the school rules regarding fundraising during the fall season for the sale of the mums by the field hockey team. The majority present believed that a sanction would be necessary to address this violation in order to prevent this from happening again with any HB team. The recommendation was made to sanction the team by not approving any fundraising effort for one year. It was emphasized that it was important to not do anything to punish the players and that any team need could be requested through the general fund for approval during this period. The team can run free clinics to grow the program.

Dave Belanger made a motion to accept this recommendation. Mike Coutu seconded the motion. All present agree to accept the sanction.

Sheryl Paquin will be the parent coordinator for the winter sports season.

Field Hockey Winter Clinic Requests: The field hockey team is requesting to run winter clinics at Nashua Sports Academy. There was a long discussion regarding whether this should be allowed in light of the newly accepted sanction. Members present did not come to an agreement on this issue. The clinics are supposed to run as a break-even event to grow the team and enhance skills. Tom will speak to Tracie regarding the financial details before we can move forward with a vote on this.

Golf Bags: Sheryl reports that the golf team has another quote for the bags. This quote is for \$1200 for all of the bags. Brian is still hoping to have this as a budget item but does not know if that is possible at this time.

Madelon Anderson reports that the spirit wear website is up and running.
