Booster Table – Mike sold mostly all left over stuff

HB Helps – Field Hockey on Sunday of Old Home Days – Information and amount determined next meeting.

Jen asked for permission to buy new QuickBooks program or \$400. Mike put to vote – Seconded by Steve and all in favor. Passed and Jen will purchase.

Corn Hole Tournament - Steve

September 26th – 3 teams at this point – should we move date to another time this fall, Oct, Nov, Dec???

Determined to move to maybe Thanksgiving Weekend. Steve will work with Boston Cornhole and present new information at next meeting.

Ski Swap – Mike

No Vendor

Trailer behind Chipolte need to find out what is actually in it. Maybe bring stuff to Bedford's ski swap?

Does Bedford have a vendor?

Combine ski swap/cornhole into one event at HB?

kin

1. Cornhole
2. Ski Swap
3. 50/50 Raffles
4. Concessions

HB Helps will need to be part of this one event for set up/clean up/etc.

Signs – Steve

Advertising events like golf, cornhole and possibly this one event – make wooden signs and have HB help make them – Steve was looking for a team to help 9/26

Huddle NFHS Discussion – Mike

Video Service - \$7,000/year grandfathered with Huddle – No longer supporting now Huddle wants \$13,000 a year for all sports, coaching services which may have 3-4 teams using. Currently, only team using this is girls volleyball and football.

Talking with Brian Bumpus to discuss switching to NFHS – they will give us 2 cameras gym and turf field. Record all games and streaming network. Families can pay for streaming \$10.99/month and we get 10% back to boosters.

NH Tackles Hunger – Mike

Brian asked for donations for raffle items. Voted by all that one will have blanket, socks and hat and another will have seat, socks and hat – Mike proposed and seconded by Maya and all voted for.

Middle School Teams – Moe

Feeder system for HS – do we want to get them involved and handle the money at booster level. What happens if MS wins major championships or wants sweatshirts? Currently, parents give coaches money for these items.

After action items:

1. Speak to Ally to find out what the MS teams would want the role of boosters to be
2. Recruit MS parents

Food for Athletes Traveling Distances – Michelle

Logistics of this process – Money and receipts – coach

Jen C. stated that they get orders for subs the day before and call into Hollis House of Pizza and pick up all the subs, etc. Jen R. then writes a check to cover costs from volleyball account. This seems to work well.

Other ideas/suggestions can be discussed next meeting

Education – Daragh

More information to parents on what the Booster club is, how it works, what the roles and responsibilities of the group are, how to get involved, etc.

What are best ways to get this out? Who should be pushing this information? What can we do to educate our communities?

Final Thoughts – Mike

Assistant Treasurer Position – Needed

Sports Awards Coordinator – Needed

Adjourn – Mike

8:20pm – by Mike seconded by Steve
