Concessions will be allowed at Basketball games...Michelle will help with Kotelly.

General Store Spirit Wear sale closed on Friday...will be delivered on Dec. 17th. Still waiting to see the results of the sale...Steve will compare to past and send a note with that information.

Still have a few items to sell in the inventory.

Sports Awards: Do we want to try one award night in the spring?

At the end of every season, coaches would be required to meet with their team and give out team awards. Then at the end of the year, there would be an Athletic Awards Night...where TEAMS would be recognized: Champions, Runners up, Unified, NHIAA Scholar Athletes, 12 Season Athletes, 5 awards that are usually handed out at Senior Nights, All-state athletes, All team academic awards, NHIAA sportsmanship awards

Program would include coaches from all seasons, Athletes commitments, and possibly some other awards.

Timing to be determined
